“As India's contribution to global GDP is projected to double by 2029 compared to 2019, the growth prospects and accompanying shifts in consumption patterns will require MSMEs to adapt through innovation, technology adoption, and strategic changes,” says **Avinash Gupta, Managing Director & CEO - India, Dun & Bradstreet,**

“**Alexander Varghese, Chief Operating Officer, UST, says,** “Ever since UST began its Kochi operations in 2007, we have been able to post steady growth. The strategic location of Kochi aids companies to easily connect and reach out to other IT locations in South India. This aspect, along with Kochi's development in social and physical infrastructure arenas, has helped UST attract talent from other locations. With UST's own campus coming up in Kochi, we will be able to add jobs and customers in a big way.”
